

LED Up/Down Cylinder Wall Fixture

Project Name:	Order Number:	Prepare by:	Note:	Date:	Type:

This modern indoor/outdoor LED downlight is a sleek and simple aluminum cylinder attached to a rectangular back plate. These magnificent outdoor light fixtures will look great on your porch, regardless of the architecture and colors of your house. Made with die-cast aluminum, it is water-proof, weatherproof and corrosion resistant. This dual up and downlight style fixture sends beautiful illumination up from the top and out from the bottom of the design. Provider high efficient and uniform lighting, no UV or IR radiation, excellent color consistency, no flicker or buzzing.

Perfect use for residential housings, condominiums, hotel and hospitality industry.
