

LED Canopy Light

Lumens Depot LED Canopy Light delivers exceptional performance, efficiency, and a modern, functional design—making it an ideal solution for commercial canopy applications. Engineered with high lumens per watt and outstanding efficacy, this fixture ensures bright, energy-efficient illumination while maintaining long-term reliability. Its field-serviceable design adds convenience for maintenance and durability in demanding environments. Built with contractors in mind, the canopy light includes secure fasteners and a locking collar, enabling quick, safe, and water-tight installation. It can be easily surface-mounted from below the canopy deck and also supports pendant mounting, offering flexibility across various installation needs
