

LED COMMERCIAL DOWNLIGHT

Lumens Depot Foam's Commercial LED Downlight is a versatile and high-performing lighting solution designed for modern commercial spaces. Featuring an innovative separable design that integrates the junction box with the housing, it offers enhanced flexibility and convenience during installation.

With a built-in junction box, this fixture eliminates the need for traditional recessed housing—simply connect it to a wall switch and install it directly into the ceiling for a clean, hassle-free setup. Designed for efficiency and ease of use, it is ideal for offices, retail environments, hotels, hospitals, and other commercial spaces that require reliable, professional-grade illumination.
