GONDOLA LIGHT

Lumens Depot Foam's LED Gondola Shelf Light is an ideal solution for enhancing product visibility and presentation in retail environments. Designed to make displays more attractive and engaging, it helps products stand out and improves the overall shopping experience.

Featuring magnetic LED strips for quick and easy installation, this system delivers bright, uniform illumination across shelves and displays. With a cool white 6500K color temperature and wide beam angle options, it creates a clean, well-lit environment while maintaining energy efficiency.

The 4ft LED strips operate at 12W per strip and are perfect for gondolas, shelving units, and retail displays. Available with 120° or V-shape 90° beam angles, they provide flexible lighting options for different display needs. Each kit includes multiple shelf lights, a magnetic strip, power supply, and connectors—offering a complete, convenient solution for retail lighting setups.

Product Features

- •4FT Magnetic LED Strip
- •12 Watt/Strip
- •CCT 6500K
- •Input Voltage 24V DC
- •120° Beam Angle
- •V Shape 90° Beam Angle
- •4 x 4 FT LED Shelf Lights
- •1 x 4 FT Magnetic Strip
- •1 x 96W Power Supply
- •1 x 4 Connectors
- •UL Listed
